From: TONY MASON, LFB6-8744

Message:

Rick--

Here are drafting instructions from JFC's May 4th executive session on ETF items.

Each of the following should be drafted as a separate LFB amendment to the JF substitute.

- (1) • Motion #431 adopted [attached]: Should be drafted as a session law provision. I don't know what the appropriate placement of this provision should be. Under ETF session law provisions? Legislature? Other? There is a comparable on-going statutory provision similar to this under s. 45.351 for a vets program. Maybe this would argue that the proper placement should be under the ETF nonstat provisions section. [I have indicated the \$\$ amounts that will be reserved in the JFC supplemental, but I don't really think that you need to reference these amounts in the nonstat provision.]
- (2) • LFB Paper #414: Maintain current law. Yank LRB-1941/2.
- (3) • LFB Paper #415: Alt. 2 adopted. Amend s. 9415(1h) of 1999 WI Act 9 by inserting "July 1, 2003" in lieu of July 1, 2001.
- (4) • LFB Paper #417: Alt. 1 adopted. Repeal s. 20.515(1)(b) [and cross-references, if any].
- (5) • Motion #216 adopted [attached]: Draft the provisions of LRB-1293/1 as a JFC amendment.

Thanks, Rick. Give me a call if you have any ?? on these.

2003."

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBb0220/3dn
RAC:wlj:68

Tony Mason:

Because the effective date of the budget bill will likely be after July 1, 2001, it is necessary to recreate ~~after~~ s. 20.515 (1) (v). The reason is that on July 1, 2001, s. 20.515 (1) (v) is repealed and cannot be revived; it must be recreated. In the amendment, however, I provided that the repeal and recreation of s. 20.515 (1) (v) ~~occurs~~ retroactively to July 1, 2001. In this way, there will be no "gap," as such, between July 1, 2001, and the effective date of the budget bill. Sorry to make such a simple request so complicated, but this will best fulfill your intent.
